WINE CLUB

Members of the Brooklyn Oenology Wine Club have access to all BOE wines and they have the first opportunity to purchase new vintages before the general public. Members receive four bottles of BOE wine in the mail four times a year and the wines come at a 10% discount. Included in the shipment are tasting notes, food pairing advice, and details about the label artists. The average price of each shipment of the four wines is \$75 plus shipping. Wines are shipped via FedEx and all packages require an adult signature upon delivery. You can also choose to pick up your wine at the BOE Tasting Room.

We will send out e-mails to our Wine Club members to notify them of any sales or specials. There will be occasional special discounts in the period immediately before and after a new release. Wine Club members will always receive 10% off all of their wine purchases, either online, over the phone, or in person. Finally, there is no fee to join the Wine Club but we ask that members remain in the wine club for a minimum of one year. Written notice is required to terminate Wine Club membership.
